

Award List	Winner	Team Name	Country	Note
Team Spirit Award	Team 10	chakkham	Thailand	The team's enthusiasm was clear and they are more than a team they are a family.
Against All Odds Award	Team 34	Junior Kids	Faroe Islands	This team overcame challenges all season long and took extra jobs to make it here, and still able to complete with half of their members.
Teamwork Award	Team 13	POWER KINGS	Malaysia	This team is the ultimate in graciousness and respect. Truly working as one.
Coach / Mentor Award	Team 19	STARS LEGO SESI	Brasil	The team was passionate about this coach who expected excellence and kept it fun. Roberto Donaire.
Creative Presentation Award	Team 09	SS501	Taiwan	This team has written a perfect script which leads to a very entertaining and enjoyable presentation. The team has come up with creative prototypes of the robots that will help to save people lives buried under the ruins when an earthquake happens.
Innovative Solution Award	Team 47	NXT Generation	The Netherlands	This team takes a crossway idea combined with a solar-tube to make an innovative solution for small animals and eventually to save ecology systems. Right now, this solution is being implemented in their city.
Research Quality Award	Team 51	Team Brick Howes	United States	As a group of students working together to solve the problems of the world by researching alternative fuels to make the "smart move" to get their cards to be more efficient. After much research, they switch to an alternative found in our oceans. Team Brick Howes is awarded 1st place for algae being the best and most efficient fuel of the future.
Robot Performance Award	Team 28	Auto Rubik	Taiwan	We had 3 teams with 400 scores in all three rounds. To be able to find the winner, we need to look into how fast they go in a final round. Team 59, from Israel, MXT, did it in 2 mins 8 secs. Team 8, from China, Alley Ren, did it in 1 min. 53 secs. Team 28, from Taiwan, Auto Rubik, did it in 1 min. 43 secs. Was the fastest robot of them all. Therefore was the robot performance winner.
Innovative Design Award	Team 14	Jedi White	Singapore	The judges couldn't believe their eyes when they saw this team's robot expand to perform the missions. It was like watching StarWars 4.
Programming Award	Team 59	MXT Israel	Israel	This team goes above and beyond using techniques that are advanced for their age.
Robot Design Award	Team 45	Westside	United States	This team's robot impressed the judges on the north, south, east and west sides of the mat. Their compact structure and creative strategy totally wowed the judges.
Judge's Award	Team 39	The Sun's Descents	Taiwan	This team comes from different culture background and used their synergies to combine and create a project that benefits their local tourism in the community.
Local Award	Team 28	Auto Rubik	Taiwan	You may have seen this team's prototype partner car, and they also excelled in robot performance, strong across all judging categories.
Champion's Award	Team 07	AUP	Germany	This team's robot had a compact design with modularization, research solution that was innovative yet simple and do-able, and a creative approach to team dynamics using technology. This team was the whole package of excellence.
